

FORENSIC SCIENCE SUMMER CAMP 2022

Criminal vs. Cardiac Arrest: "The Case of Jimi the Jerk"

- Teams pursue realistic crime scene investigation
- > 12 forensic science labs and activities, daily
- Guest experts teach alongside professional camp staff

Camp participants will immerse themselves in a fictitious, yet realistic, simulated crime and spend the week solving the case. Collected evidence from the recreated scene is analyzed using eight different fields of forensic science.

Each day is infused with entertaining intrigue where camp participants view video footage of suspect interactions that leak clues and potential motive. On the last day, teams interrogate their main suspect, and present their cases to a prosecuting attorney. A short reveal-film of what "actually" happened concludes the camp.

Sponsored by Kids in Medicine & Science (KIMSeattle)
Hosted at Shoreline Community College
info@kimseattle.org

DATE: July 18 – 22

TIME: 9AM – 3PM, daily

AGES: Rising 7th-9th graders
(Ages 12 – 15)

COST: \$475

WHERE: Shoreline
Community College
Bldg.2900
16101 Greenwood
Ave. N.
Shoreline, WA
98133

REGISTRATION:

[Forensic Science Camp](#) (Opens April 11th)

Registration closes once camp is full or by July 8th
